Alcohol and Drug Program Administration
SUBJECT: **FUNDING AUGMENTATION FOR CHANGING STEPS,
CONTRACT NO. PH-000457**

This is to inform you that we plan to amend the County estimated maximum obligation and corresponding maximum allocation for Changing Steps using the delegated authority granted by the Board on June 10, 2008 (Board Agenda Synopsis #31). This agency's agreement provides flexibility to adjust funding allocations, and contains provisions that authorize the Director of Public Health or his designee to make such funding changes.

I am recommending this funding increase based on the Sobky v. Smoley court litigation which allowed agencies to request additional funds to cover persons eligible for Drug/Medi-Cal services. The current and proposed funding amount is as indicated in the following attachments:

Attachment 1 - Description of the services affected by this amendment
Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.
